

# BENEFIT STATEMENT

**Limited Lifetime Warranty** – Blickman is committed to producing the highest-quality healthcare equipment and furniture of any manufacturer in its class. It sets industry standards by supporting all of its products with a unique Lifetime Limited Warranty.

**Delivery** – All of its products are hand-crafted of the finest materials, and yet Blickman still maintains the best turn-around times of any manufacturer in its class: in-stock items ship within 48 hours ARO.

**Product Choices** – Blickman supplies the most comprehensive line of products of any manufacturer in its class, with extensive offerings geared toward the hospital, physician, long-term and alternate-care markets. You will find breadth and depth across the 12 major product categories represented within this catalog.

**Custom Fabrication** – If your facility has a unique requirement, Blickman also possesses abilities to custom-fabricate products, unrivalled by its competition.

**Sales Support** – Blickman provides local, professional sales representatives to assist you throughout every step of your purchasing process.

**Pricing** – Blickman returns all of this value, yet also at fair and competitive pricing.

*Discover why, for over 70 years, Blickman has helped savvy healthcare purchasers from coast-to-coast rest assured in their purchasing decisions. You, too, will feel secure in having made the best possible choice for your healthcare facility.*
